Catalog # C281470 2-{2-Chloro-6-hydroxy-5-[2-methylquinolin-8-ylaminomethyl]-3-oxo-3H-xanthen-9-yl}benzoic acid

Note : Intracellular Nitric Oxide Sensor Kit component.

Technical Note:

1. Novel, cell-permeable copper (II)/ligand system allowing direct imaging of nitric oxide produced in living cells with fluorescence turn-on.
